PROFESSIONAL SUMMARY

Senior Project Manager with 12+ years of experience delivering complex IT transformation projects across cloud migration, Microsoft 365, and SAP programmes. Proven track record managing cross-functional teams of up to 15 consultants, budgets exceeding €2M, and stakeholder portfolios from C-suite to end users. Certified PRINCE2 Practitioner and PMP with deep expertise in SAP Activate, Agile, and hybrid delivery methodologies.

WORK EXPERIENCE

BearingPoint *Bucharest, Romania - 2018 - Present*

Senior Project Manager

- Led full-lifecycle cloud migration project for GlobalPack Manufacturing (47 workloads, 9 months, €2.4M budget) achieving 99.95% post-migration availability.
- Managed Microsoft 365 deployment for Nordica Insurance (1,800 users, 7 months) including change management and governance framework delivery.
- Oversaw SAP S/4HANA 2023 Brownfield conversion for Centrrom Distribution (11 months), achieving go-live on schedule and within approved budget.
- Maintained 95% on-time delivery rate across 12 concurrent projects using executive RAG dashboards and structured risk management.
- Established BearingPoint Romania's project delivery standards, creating reusable templates for project plans, RAID logs, and weekly status reports.
- Mentored 4 junior project coordinators, supporting their progression to independent PM roles.

Capgemini Romania *Bucharest, Romania - 2014 - 2018*

Project Manager

- Managed ERP implementation projects for manufacturing and retail clients across Central and Eastern Europe.
- Coordinated cross-functional teams of 6-12 consultants, managing scope changes and client expectations in fast-moving environments.
- Maintained project schedules in MS Project and risk registers in JIRA; produced fortnightly Steering Committee packs.
- Reduced average project overrun from 18% to 6% through improved estimating and change control practices.

Orange Romania *Bucharest, Romania - 2011 - 2014*

IT Project Coordinator

- Coordinated internal IT infrastructure upgrade programmes covering network, datacenter, and end-user devices.
- Scheduled and tracked deliverables for a 23-site rollout of unified communications equipment.
- Supported senior PMs in stakeholder reporting and meeting facilitation.
- Administered project documentation in SharePoint and maintained action logs for weekly project meetings.

EDUCATION

Master of Business Administration (MBA) - Academy of Economic Studies (ASE), Bucharest - 2014

Bachelor in Economic Informatics - Academy of Economic Studies (ASE), Bucharest - 2011

CERTIFICATIONS
