stefan.weber@bearingpoint.com | +49 89 2345 6789 | Munich, Germany | [linkedin.com/in/stefan-weber-sap](https://www.linkedin.com/in/stefan-weber-sap)

PROFESSIONAL SUMMARY

SAP Lead Consultant with 18+ years of experience in SAP ERP implementations and S/4HANA system conversions across manufacturing, distribution, pharmaceutical, and financial services. Expert in FI/CO, SD, and MM modules and SAP SuccessFactors HCM suite (Employee Central, Performance & Goals, Learning). Delivered 10+ full-cycle SAP go-lives as functional lead. Fluent in SAP Activate methodology and experienced in GxP-compliant HR system implementations.

WORK EXPERIENCE

BearingPoint *Munich, Germany (CEE projects on-site) – 2015 – Present*

SAP Lead Consultant

- Led SAP S/4HANA 2023 Brownfield system conversion for Centrrom Distribution Romania (11 months): 2,340 custom ABAP objects analysed, 187 remediations executed; production cutover achieved within planned 22-hour downtime window.
- Led SAP SuccessFactors full suite implementation for Primus Pharma Group (2,400 employees, Romania & Bulgaria): Employee Central, Performance & Goals, Continuous Performance Management, and LMS with GxP auditability for FDA/EMA compliance.
- Configured SAP Fiori Launchpad and role-based tile catalogues for 6 client S/4HANA deployments, achieving 78–85% Fiori adoption rates post-go-live.
- Delivered SAP Activate methodology training and coaching to 8 junior consultants across BearingPoint Germany and Romania.
- Authored SAP FI/CO process design documents for clients in manufacturing, retail, and pharmaceutical industries.

Deloitte Germany *Frankfurt, Germany – 2010 – 2015*

SAP Consultant

- Implemented SAP ECC 6.0 FI/CO for an automotive supplier (2,800 employees): chart of accounts design, profit centre accounting, asset management, and internal orders.
- Configured SAP ECC SD and MM for an FMCG client including pricing procedures, output determination, and inventory management.
- Served as functional team lead for 3 SAP go-lives, coordinating business sign-off and cutover execution.
- Created functional specification documents for 40+ ABAP custom developments across Finance and Logistics modules.

Bosch GmbH – Corporate IT *Stuttgart, Germany – 2005 – 2010*

SAP FI/CO Systems Analyst

- Maintained SAP ECC FI/CO configuration for 3 Bosch subsidiaries in Germany, Hungary, and the Czech Republic.
- Prepared and executed period-end and year-end closing processes; resolved reconciliation discrepancies between FI and CO.
- Supported annual SAP upgrade projects and service pack applications in coordination with SAP Basis team.
- Documented over 200 configuration items in Solution Manager for compliance and audit purposes.

EDUCATION

Diplom-Wirtschaftsinformatiker (Business Informatics) – Technical University of Munich (TUM) – 2005
